

OLA RED

ISLAND

COLLECTION SERIES

Bring a bold splash of color and glamour to your kitchen with Elica's Ola. Ola delivers all the aesthetic appeal of a sophisticated pendent light, plus the functional performance that you expect from a range hood. Ola's soft lines and shining stainless steel exterior, echo the sinuous movement of a wave, and is contrasted by the warmly shaded red interior. All possible due to Elica's patented Evolution system.

Ola offers a 350 CFM blower, halogen lighting and a high efficiency filter system that effectively removes cooking grease, heat, smoke and odours, with only a whisper of sound (.3 sones at speed 1) and does all this without dominating the kitchen or obstructing the glorious views outside.
