Special features

CFM REDUCTION

HEAT GUARD

halogen lamps

multi-function electronic controls with LCD display

stainless steel micro hole filters

The rounded front, beautifully sloping angles and stainless steel finish of Pilato make a striking visual statement. Available in 30" or 36" widths, Pilato features include a powerful 600 CFM blower, halogen lighting with 2 light intensities, dishwasher-safe stainless steel microhole filters and multi-function electronic controls with LCD display that deliver convenience and safety.

Designed for standard ducted installation, Pilato can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.

SPECIAL FEATURES

Elica CRS:

CFM Reduction System (CRS), is an exclusive feature to Elica hoods, which enables the installer to reduce the maximum blower CFM, to meet local code requirements.

Elica Heat Guard:

A safety feature that protects the hood and cabinetry from excessive heat, by sensing extreme temperatures (>158 degrees) and will automatically adjust the blower speed to HIGH. Blower speed will automatically adjust back once temperatures drop to a safe level.
