

JULIETTE

ISLAND

COLLECTION SERIES

Juliette is characterized by gentle oval curves and soft pearl coloring, all lending toward a more leisurely pace and style. A beautifully cut floral design and flowing ambient light, bring to life the scenery, vibrant scents and romantic interludes of the French countryside. A masterfully crafted symbol that embodies a taste of the good life. Surprisingly, underneath the calming floral shell exterior is a highly efficient range hood. All possible due to Elica's patented Evolution system

Think Outside the Kitchen and consider Juliette for an "Air Cleansing" role in other rooms of the home, such as a smoky billiard room or den.

SPECIAL FEATURES

Elica Evolution: A super-compact ventilation system comprised of miniaturized / finely engineered components, which provide a platform for creating artistically interesting shapes that provide a splash of design and decoration for the room. Not just a pretty face, the patented Evolution system is a highly effective ventilation system, that won't over power the kitchen or disrupt the glorious views to the outdoors.
