

Interstellar

Interstellar is the new suspended Elica hood that is the ideal size (65 cm) for island kitchen installation. Its remarkable personality makes this hood the focal piece of any space. Starting with the conceptual lines of the iconic product Star, Interstellar mixes mirrored polished steel and 1152 pieces of

glass, making the product particularly precious, full of light, and capable of creating a one of a kind atmosphere.

Design by **Design Fabrizio Crisà**

Generic Data
