

PRESS RELEASE

ELICA PARTICIPATION AT 2011 STAR CONFERENCE IN LONDON

Fabriano, September 2, 2011 – **Elica S.p.A.**, the parent company of a Group that is the leading manufacturer of kitchen range hoods and has a leadership position at European level in the electric motors industry for appliances, updates its Financial Calendar published in January 28, 2011 and **announces its participation on October 4, at the 2011 STAR Conference organized in London** by Borsa Italiana (the Italian Stock Exchange), which will involve presentations and meetings with the financial community.

Any further changes to the Calendar will be communicated in a timely manner.

The **Elica Group** has been present in the cooker hood market since the 1970s, is chaired by Francesco Casoli and led by Andrea Sasso and today is the world leader in terms of units sold. It is also a European leader in the design, manufacture and sale of motors for central heating boilers. With approx. 2,900 employees and an annual output of approx. 17 million units of kitchen hoods and motors, the Elica Group has 9 plants - of these, four are in Italy, one is in Poland, one in Mexico, one in Germany, one in India and one in China. With many years' experience in the sector, Elica has combined meticulous care in design, judicious choice of material and cutting edge technology guaranteeing maximum efficiency and reducing consumption making the Elica Group the prominent market figure it is today. The Group has revolutionised the traditional image of the kitchen cooker hood: it is no longer seen as simple accessory but as a design object which improves the quality of life.
